

Pendulum jaw set in case

with flat grooves and universal

ATORN®

Application

The flexible double pendulum jaws with the rotating pressure pieces adapt to any unevenness and optimally feed the clamping force into the workpiece.

Delivery

Ref. no. 28792014, contents of delivery for ref. no. 1 piece 28792 049 case, 1 piece 28792 030, 031, 033, 4 pieces 28792004, 2 pieces 28792005, 2 pieces 28792001. Ref. no. 28792018, contents of delivery for ref. no. 1 piece 28792 049 case, 1 piece 28792 030, 032, 034, 4 pieces 28792004, 2 pieces 28792005, 2 pieces 28792002

Art. no.	28792 018
Size	3
Width of clamping jaw	180 mm
Jaw design	Flat grooves
