

# Air conditioning measuring instrument in set

Model testo 440 CO<sup>2</sup>

## Application:

For measuring parameters relevant to air conditioning in combination with up to three sensors.

## Execution:

- 1x 46210610 CO<sub>2</sub> sensor digital with Bluetooth handle including temperature and humidity sensor
- 1x case for testo 440 and a sensor

## Advantage:

- automatic sensor detection
- easy operation thanks to structured menu navigation
- wireless measurement with Bluetooth sensors
- USB interface for CSV file export
- Graphic display for displaying three readings

## Delivery:

Measuring instrument including sensor(s), 3x AA Mignon batteries, USB cable and calibration log (testo 440)

Art. no.	46210 530
Brand	TESTO
Manufacturer Part Number	0563 4405
Gross Weight	1.702 kg
Product Group	4CF
