### Description and purpose of change:

To increase the production capability, Würth Elektronik will implement a laser marking process.  
 All products with date code 2023-12-21 or later, will be affected by this change.  
 There will be no change in fit, function, quality or reliability of the product.

### Detail of Change:

- 1.) All electrical and mechanical properties of the parts will remain the same.
- 2.) Laser-Printing will be only used starting with effective date.

3.) Marking appearance:

Current Method

Marking with  
Pad Printing

New Method

Marking with  
Laser Marking

**Reliability / Qualification Summary:**

Product approval is according to the specification criteria and is internally released by the Product Management Department.

**The following items are part of the internal release process:**

- Visual Appearance
