

08-Jul-2019

PCN #:E-19-010252

Subject:T92 series relay

Description of Change: As part of our ongoing efforts to pursuit greener products, TE decided to change T92 relay case from ink marking to laser marking. The laser marking will keep the same marking content completely and impact on relay function and identification. Please find the attached comparision marking photos.

Reason: Product Improvement. By environment protection consideration, more and more products are using laser marking, which also have identifiability for longer time.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
