

TRACTEL Bravo™ lever hoist

Extremely robust, lightweight and of industrial quality

Application:

For tensioning, hoisting, pulling and tying down.

Execution:

- Compact all-steel design
- Impact safe, light and low-maintenance
- Chain with corrosion-resistant special coating

Art. no.	77157 105
Brand	TRACTEL
Manufacturer Part Number	359 19
Load-carrying capacity	0.25 t
Nominal chain thickness	4 mm
Chain diameter	12 mm
Stroke force at nominal load	26 daN
Length of lever	157 mm
Lift height	1.5 m
Min. hook spacing	233 mm
Number of load chains	1
Gross Weight	2.290 kg
Product Group	7EK

EAN

3600230359199
