

# HEAVY DUTY UNIVERSAL POWER ADAPTOR

## FOR NOTEBOOK & NETBOOK COMPUTERS

Product Code: SMP-150WUSB

### INPUT

100-240V AC 50/60Hz

### MAX. OUTPUT POWER

146.5W Max.

### DC OUTPUT

12/14/15/16V DC 8,5A;  
18V DC 7,7A;  
18.5/19V DC 7,25A;  
19.5/20V DC 7A;  
22V DC 6,5A;  
24V DC 6A;  
5V DC 0,5A (USB output)

## Features

- With PFC design
- Manual voltage adjustable and 11 outputs selections
- Worldwide use Universal voltage 100-240V AC, 50/60Hz
- Includes various size of interchangeable tips
- Safe charge Stabilized output, low ripple and low interference
- Reliable Short circuit & overload protection
- High efficiency Low energy consumption
- Designed with USB charge port Ideal for power up and charging most of the popular brands of smartphone, mobile phone, MP3/MP4 player, portable gaming system and other devices powered by USB
- Power LED indicator
- CE, RoHS, REACH complied
