

Global Change Notification (GCN)

Product Family	Various	10706556
		GCN Number
Series	various	August 20, 2015
		Date Issued
Reason For Change	Supplier Change	
Change Description	<p>This letter is to inform you of a supplier change for a contact lubricant used in the production of Molex products supplied to you. This change is due to the current supplier has exited the business and the stated implementation date must take place. The new supplier will use all the same base materials and will only be using larger scale mixing equipment to produce the lubricant. Molex does not anticipate any impact to fit, form or function of products which we currently supply to our customers. Although the change will be fully transparent, Molex will conduct sample evaluations to ensure comparable performance. Level 4 PPAP's can be provided if required with evidence of comparable performance.</p>
