

Open-fronted storage container

Version:

- Open-fronted storage container: Width, depth and height refer to the external dimensions. The open-fronted storage containers are insensitive to most oils, acids and alkalis, noise-reducing on conveyor lines, temperature-resistant from -20° to +100° Celsius when used properly. Design: Polypropylene.

Art. no.	50305 437
Width	210 mm
Colour	Green
Volume	10.4 dm ³
Type	Size 5

EAN-Code

7612269058871
