

Universal magnetic vice jaws 100, 120, 140 and 160 mm

Polyurethane with V-blocks of different sizes

Application:

For simple and quick attachment to all vices.

Execution:

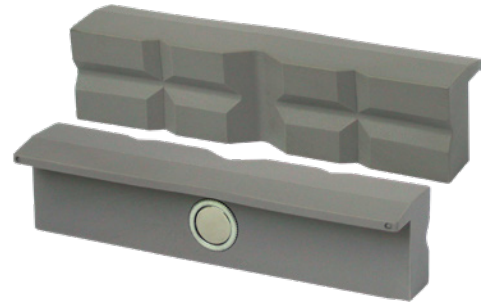

- With integrated permanent magnet
- Made from elastic, durable, age-resistant polyurethane
- Restores the original shape after deformation by pressure
- Integrated V-blocks of different sizes hold the components securely

Advantage:

- Precise and gentle clamping

Delivery:

In pairs

Art. no.	51068 600
Brand	HEUER
Manufacturer Part Number	108100
Jaws width	100 mm
Jaw design	With prism
Material	Polyurethane
Gross Weight	0.100 kg
Product Group	513

EAN

4010898708007
