

End Plate for Terminal Block

Features

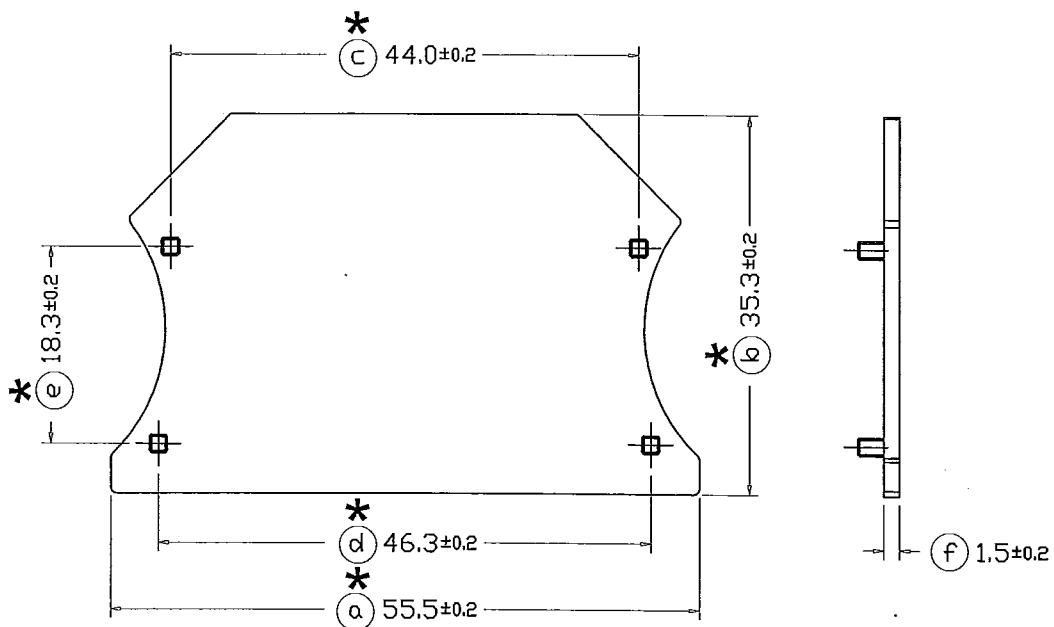

- ROHS compliant
- End plates are used quite often in order to establish a clear visual separation between the different circuits or voltage levels
- The use of end plates increases the clearance and creepage distances, which in turn influence the voltage ratings

Specification

Colour	Beige
Insulating Body Material	PA66 (UL94-V0)
Width	1.5 mm
Length	55.5 mm
Height	35.3 mm

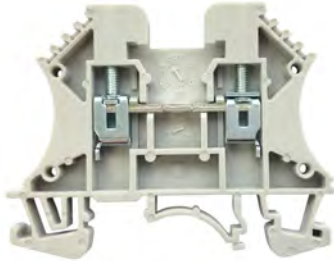

Drawing

Art. Nr.
RND 205-01336

End Plate for Terminal Block

RND Din-Rail Terminal Block Assortment

Screw Clamp Terminal Block

Art Nr. - Wire Range, Colour

RND 205-01319 - 0.5 ... 2.5mm², Grey
RND 205-01320 - 0.5 ... 2.5mm², Blue
RND 205-01321 - 0.5 ... 2.5mm², Orange
RND 205-01322 - 0.5 ... 2.5mm², Beige
RND 205-01323 - 0.5 ... 2.5mm², Red
RND 205-01324 - 0.5 ... 2.5mm², Black
RND 205-01325 - 0.5 ... 4mm², Grey
RND 205-01326 - 0.5 ... 4mm², Blue
RND 205-01327 - 0.5 ... 6mm², Grey
RND 205-01328 - 0.5 ... 6mm², Blue
RND 205-01329 - 1.5 ... 10mm², Grey
RND 205-01330 - 1.5 ... 10mm², Blue

Ground Terminal Blocks

Art Nr. - Wire Range

RND 205-01331 - 0.5 ... 2.5mm²
RND 205-01332 - 0.5 ... 4mm²
RND 205-01333 - 0.5 ... 6mm²
RND 205-01334 - 1.5 ... 10mm²
