

## 24 in Serial ATA Drive Connection Cable

*StarTech ID: SATA24*

With data transfer speeds up to 300 MB/sec and a new and improved architecture, Serial ATA (SATA) hard drives, CD-ROMs, CD-RWs, DVDs, and removable storage devices are quickly gaining popularity. Ensure the fastest and most stable performance from your SATA devices with the SATA24, the new Serial ATA cable from StarTech.com.

The 7-pin Serial ATA architecture replaces the wide, bulky 40-pin Parallel ATA interface. At barely over a quarter-inch wide, these small cables will vastly improve airflow in your case and reduce clutter. Serial ATA specifies a point-to-point connection that allows for easy cable routing within a system. This avoids master/slave, 'daisy-chaining,' and termination issues. SATA's keyed connectors prevent broken or bent pins and allow a firmly seated connection with minimal pressure.

### Applications and Solutions

- > For use in servers and storage subsystems
- > High-end workstations
- > ATA Drive Arrays
- > Mini tower computers
- > Compatible with Serial ATA Hard Drives, CD-RW, DVDs, and other devices

The StarTech.com

**Advantage:**

**Support and Resources:** Single point of contact for all your questions; exclusive online tools and free live technical support

**Save Time Sourcing:** A complete selection of high-demand and hard-to-find products from one vendor

**Best Value:** StarTech.com products offer the best combination of features and price

**Exclusive Resources:** Complete product information and tools available at [www.startech.com](http://www.startech.com)

## Features

- > Compliant with Serial ATA II Specifications
- > Fast data transfer rate of up to 300 MB/Sec
- > Offers 24 inches in length for greater flexibility
- > Specially designed to improve system airflow and routability

## Specifications

- > Connector A 1 - SATA Data 7 pin Female
- > Connector B 1 - SATA Data 7 pin Female
- > Color Red
- > Product Length 24 in [609.6 mm]
- > Maximum Cable Length 3.28 ft [1 m]
- > Shipping (Package) Weight 0.04 lb [0.02 kg]
- > Cable Length 24 Inches (2 Feet)
- > Connectors
- > Connector Type 7 pin
- > Connector 1 Female
- > Connector 2 Female
- > Color Red
- > General Specifications SATA II Compatible
