

Tool holder set

Execution:

- Insert frame and frame support pairs: Are available as a set or individual components. One frame support pair is required per insert frame. Tools with different taper lengths can be stored in drawers using frame support pairs of different heights, which can be screwed together with the insert frames on the perforated drawer base.

Art. no.	50304 139
Brand	LISTA
Manufacturer Part Number	80.825.000
Depth	447 mm
Width	588 mm
Gross Weight	10.000 kg
Product Group	5AN
