

Bluetooth® Speaker | 9 W | Metal Crafted Design | Aluminium Silver

General information

The metal-crafted design of this Wireless Bluetooth® Speaker gives you a look as good as its sound. Stream your music wherever you are. With a 9 W peak power output this speaker offers you superb, portable sound quality. The lightweight speaker delivers a heavyweight audio experience for those on the move. Connect it wirelessly to your smartphone – or any other Bluetooth® device – to kickstart the party. Keep dancing. The integrated 500 mAh battery gives you three hours of playtime on a single charge – and you can continue the party as the speaker is recharging ready for your next venue. Keep talking. With a built-in microphone you can use the speaker to make and receive calls when it is paired to your smartphone – just don't forget to turn the music down a little first!

Features

- Metal-crafted design – to look as good as it sounds
- Built-in 500 mAh battery – for three hours playtime per charge
- Lightweight speaker – with a heavyweight sound
- Built-in microphone – so you can make and receive calls directly through the speaker
