

Datasheet article 451150

Aluminium ECO-Box 48 L

silver, 385x575x270 mm

- corrosion, weather and temperature resistant
- despite their light weight, they are extremely stable thanks to their circular reinforcing seams (reinforced sides and corners)
- stable lever-action closures with holes for padlock, lead seal, and fitting of cylinder locks
- plastic-covered folding safety handles for convenient transportation
- the surrounding rubber seal protects the contents against external influences such as dust and splash water
- Rebound straps on the lid prevent the hinges from tearing
- made of 0.8 mm thick aluminium / solid base profile
- separate accessories: Set of wheels
- with 2 handles / max. load 35 kg
- other sizes and varieties are available upon request (custom-made items available starting at 50 units)
