LUXOR
INDUSTRIAL WORKSPACE PRODUCT SOLUTIONS

Application:

Ideal as serving or clearing trolley, it is also ideal for use in workshops, schools, warehouses or offices.

Execution:

- Extremely robust, liquid repellent and weather-resistant
- High-density polyethylene

Advantage:

- Moisture-resistant and shock-resistant
- Non-slip load areas
- Integrated ergonomic handle

Art. no.	50311 011
Brand	LUXOR
Manufacturer Part Number	SEWT42GY-B
Load-carrying capacity	180 kg
Number of loading surfaces	3
Length	610 mm
Length x width x height	610 x 460 x 1080 mm
Width	460 mm
Height	1080 mm
Surface	Plastic
Wheel diameter	100 mm
Number of steering rollers	4
With wheel lock	Yes
Material of loading surface	Plastic
Colour	Grey, Black
Made in	USA
Gross Weight	12.500 kg
Product Group	5AQ

EAN

4260285073922
