Langbeschreibung: Roldeurkast, 2-delig, 5 OH, B 1200 x D 450 x H 1930 mm: Specificaties:Corpus, afdekblad, legborden, sokkel: gemelamineerd, sterk verdichte drielaagse fijne spaanplaat volgens DIN EN 14322, E1Zonder middenwandGeaïntegreerde hoogteverstelling: tot 10 mm verstelbaarVoor aanpassing aan de vloer is een stelpoot gemonteerd, met een hoogte van 23 mmBuitenbreedte: 1200 mmBinnenbreedte: 954 mmUniforme dieptes:buitendiepte: 450 mmnuttige diepte: 370 mmlegborddiepte: 350 mm</p></div><div data-bbox="730 106 854 244" data-label="Image">A tall, white, two-door roll-up cabinet with a uniform design. The cabinet is shown from a three-quarter perspective, highlighting its vertical orientation and the two doors. The doors have a subtle, textured pattern. The cabinet is mounted on a small, adjustable foot at the bottom left corner to level it on the floor. The overall appearance is clean and professional, suitable for an office or laboratory setting.</div><div data-bbox="112 355 162 409" data-label="Image">A smaller, white, two-door roll-up cabinet, similar in design to the larger one. It is shown from a three-quarter perspective, emphasizing its compact size. Like the larger version, it features two doors with a subtle texture and is equipped with an adjustable foot for leveling. The design is consistent, suggesting it is part of the same product line.</div>
