

SURVEY REPORT
Nr 032/2015/0146
art. 11A of EU directive 89/686/CEE

On demand of

Ansell Healthcare Europe nv Riverside Business Park
Spey House Internationelelaan 55
1070 Brussel
België

we have carried out, on **03/02/2015** a sampling of personal protective equipment **The gloves PROFOOD Nitrile Cotton Lined 39-360, The gloves Sol-Knit 39-122 and 39-124**, which forms the subject of the EC type examination certificate **03205294** issued by **Centexbel – NB 0493**.

We have verified the goods taken during the sampling in respect to their conformity with the description of the technical file and the goods have been subjected to laboratory tests (see report **15.01889.01 dd. 14/09/2015** in annex).

Conclusion:

The personal protective equipment described in the above mentioned EC type examination certificate complies with the technical data of the technical file and with the essential requirements of directive 89/686/EEG. Hence, **the CE-marking may be maintained.**

This survey report is valid until the 31 December 2016 and contains 1 attachment(s).
