After Picture

## After change

- Change overview :  
To better serve our customers and to leverage our global manufacturing footprint, Molex will relocate production of the 0.5FPC J-BEND PLUG (2.0H) lines from Korea to Molex Vietnam production facility.  
The transfer will started in Q3 2022 and target to complete in Q1 2023. Buffer stock and capacity tooling will be built as need to ensure a seamless transfer.
- Product impact :  
No impact to form, fit and function.  
No change in product specification.
- Part number impacted :  
501745-xxxx .
- Qualification report and samples : Available as execution plan.
- Identification :  
For 1<sup>st</sup> lot of production starting by Vietnam plant,  
Molex will add "P" at the end of Traceability number on the label as signal to recognize product that made by Vietnam.
