Description of Change : Due to business increase, QD plant need new production line enter and plant space is limited, to support customer demand well, we plan outsourcing some projects.
Estimated transfer schedule will be on the end of Aug.

Reason : For Simcard project, only Assy line location changed to supplier which near QD plant, other process all keep as before. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on specifications will executed before any parts will be delivered which guarantees the performance.
