

## Allen key set with Magic-Ring®

Long version, with ball head, Ergo-Star holder

### Execution:

- Hexagonal ball end with spring steel ring on the long wrench side
- Chrome-vanadium steel

### Advantage:

- Save-spacing ErgoStar holder
- Ball end enables screws to be tightened at angles of up to 30°
- MagicRing: excellent retention force thanks to robust, wear-resistant spring steel ring
- Makes it easier to remove countersunk screws and to insert screws into slanted or deep blind holes
- Suitable for stainless steel, brass or other non-magnetic screws

### Delivery:

In ErgoStar holder
