	NF15	<b>Light task</b> Fine handling in dry environment
	NF15B	<b>Light task</b> Fine handling in dry environment

### Additional Information

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

### Packaging Information

Bundle of 10 pairs. Cartons of 100 pairs

## Overview

### Key Features

The Perfect Poly® line features seamless and lightweight polyamide liners with polyurethane coating..

#### COMFORT

The tight knit gives the glove perfect support, limits the penetration of dirt and offers a good touch. The ventilated back and PU coating optimise the glove's breathability. Non pilling, the polyamide is suitable for precision work.

#### RESISTANCE

Polyamide with its polyurethane coating provide excellent abrasion and tear resistance. The PU coating ensures a good grip.

#### SAFETY

The gloves are certified as "silicone-free" to ensure their use in painting.

#### HYGIENE

Available in various color according to the work environment.

### Recommended Industries/Use

- Agriculture
- Construction
- Manufacturing
- Municipal Services
- Pharmaceutical
- Transportation
- Wind Energy

### Hazards

- Abrasion
- Extreme Environment

### Regulations

- EN 420-2003 - General requirements
- EN 388-2003 - Mechanical performances

**Historical Brand**

Perfect Fit
