

## foot-operated recyclable materials collector

with inner container, self-extinguishing

### Execution:

- made of galvanised quality sheet steel
- self-closing lids dampened and silent closing
- ergonomic handle and foot pedal made of stainless steel
- hinged doors locked with square socket key
- adjustable feet to compensate for uneven surfaces
- can be retrofitted to the mobile version using the roller kit
- With galvanised inner container – self-extinguishing

### Advantage:

- for every need - the most comprehensive program on the market
- silent closing due to lid damping
- door colour selectable

### Delivery:

incl. Pro-Pads glue set (in anthracite, blue, yellow and green) for individual colour coding of the self-closing lids
