Item Code: **ICONICMAGIPH...**

Transparent case with semi-transparent edges compatible with Magsafe® ecosystem

Technical Features:

- Coloured edges and magnet
- Double material (hard back and rubber edges) for a better protection
- Raised edges to protect display and camera areas
- Compatible with MagSafe ecosystem

Compatibility:

iPhone

DESCRIPTION:

ICONIC MAG is a case that combines colour and transparency, designed to interact with the MagSafe® ecosystem.

Thanks to the integrated magnets, the case aligns perfectly with the phone and enables perfect compatibility with all magnetic accessories.
