**Effective date:**

01.12.2023

**Originator:** Thomas Oberschelp/BEE/Technik/EE/de/ERNI , +49 7166 50-,

**Reason and description of change:**

Valued customer,  
as a result of our continuous strive for capacity increase of our production, we hereby inform you upfront about a new assembly line, which is after exhaustive testing to our serial production standards and quality controls in order to meet all specification requirements to cover increasing market demand and which will run in addition to the current one for MicroBridge Female connectors angeled versions.

These change will be operated without partnumber change.

This change will not affect reliability of product and has no impact on form, fit or function of these products.

**Products Affected / Types**

MicroBridge angeled Female Connectors
