

## DEGUSSIT bench stone bonded into wooden box

Type 9010

### Application:

For all grinding, deburring and precision grinding work, for resharpening all kinds of tools and for machining hard or abrasive materials such as quartz, glass or ceramics.

### Advantage:

- High resistance to wear and changes in shape due to the hardness of the crystals
- Achieves excellent surface finish and accuracy of shape during precision work

### Delivery:

Bonded into wooden box
