- Silver screw-mount Cable Clamp
- Material is aluminium
- Holding diameter is 6.4 mm
- Supplied in packs of 100

## RS PRO Cable Clip Silver Screw Aluminium Cable Clip, 9.5mm Max. Bundle

RS Stock No.: 172-0825

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

RS PRO aluminium cable clip with a maximum bundle diameter of 9.5 mm. These clips are ideal for securing, grounding and routing cables in domestic appliances, electronics and electric equipment.

Cable clips and clamps are essentially a cable mounting and management tool, used for securing cables and wiring to fixed points. They are ideal for making areas look tidier as there are no loose wires trailing down and more importantly they play a vital role in keeping both cables and people safe by guarding a common source of both electrical and trip hazards. Cable clips are great for any electrical work.

## General Specifications

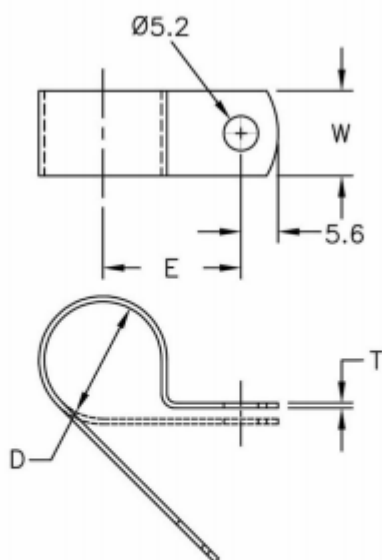

<b>Material</b>	Aluminium
<b>Colour</b>	Silver
<b>Affixing Method</b>	Screw
<b>Cable Clip/Clamp Style</b>	Cable-clamp; Adjustable
<b>Tolerance</b>	+/-0.30
