DYMO® RHINO™ Industrial Labels

For use with Rhino series

- **IND Vinyl**
Ideal for both indoor and outdoor applications. Available in the widest range of colors that meet OSHA, ANSI and ISO colour standards.
- **IND Permanent Polyester**
Professional polished finish ideal for panels, blocks, faceplates, shelves, bins, beams and more.
- **IND Heat Shrink**
For high-end cable identification. A 3:1 shrink ratio helps ensure a secure fit on wires and cables. UL recognised as a component to UL 224, RoHS compliant, meets MIL-STD-202G, MIL-81531 & SAE-DTL 23053/5 (Class 1&3).
- **IND Flexible Nylon**
Tear-proof material for labelling wires, cables and rounded surfaces.

UL recognised component to UL 969. RoHS compliant.

Using DYMO ID is easy thanks to a uniform experience that integrates the same great features found on your RHINO™ label maker and packs them into a powerful PC-based software package. Available as a free download from dymo.com, DYMO ID will provide you with the functionality you need to tackle even the most complex labelling.
