

Multipurpose Boxes with Lids

Features

- The boxes are moulded in ABS to give maximum strength but can be easily punched or drilled for individual requirements and to produce a professional looking end product
- They are available in black, white and light grey as standard but other colours may be available on request show you require to add that individual touch to your products
- All but MB4 have a polished finish
- Printed circuit board slots are provided on certain types to allow ease of manufacture
- The lids are retail by M3.5 countersunk screws into brass inserts
