

Article number		
LV short text		00098

Technical Data		
Operating current rated value	A	6
Operating voltage rated value maximum	V	230
Switching capacity active power	W	2 300
Switching capacity current	A	6
Number of switching outputs maximum		8
Suitability for use switching of C load		Yes
Suitability for operation Multiphase operation		Yes
Mounting type		modular installation device
Product extension can be installed supplementary devices		No
Product function direct operation		Yes
Number of width units		8
Protection class IP		IP20
Display version LED		No
Number of digital inputs		0
Bus coupling Integrated		Yes

Certificates/approvals

General Product Approval	Declaration of Conformity	other
---------------------------------	----------------------------------	--------------
