Professional stonecutting machine CSC 350-2000 PRO		quantity / pallet:	3	
		quantity / truck:	99	

Description:

The CSC 350-2000 PRO follows the trend to bigger-sized stoneware and offers a wide cutting.

Benefits:

- cuts stones, wall / floor tiles, ceramics, etc.
- very back-friendly working height
- angle stop
- optimal cooling of the diamond disc through a complete cooling system including a pump
- high quality rolling bearings for a smooth implementation of the cutting motor group
- maintenance-free copper winding induction motor: long-life, less vibrations and quiet for precise cutting
- PRCD safety breaker
- including wheels for easy transportation

Technical data:

Motor:	2,000 Watt / 230 V~
No load speed :	2,800 RPM
Disc size:	350 x 25,4 mm
Cutting depth:	90/45°: 110 / 72 mm max.
Cutting length :	800 mm max.
Diagonal cut:	530 x 430 mm
Table size:	1155 x 480 x 700 mm
Extension table (piece):	~ 230 x 200 mm

Delivery scope:

inclusive diamant blade, montage tools, transport rools and waterpump

GS main certificate is available
