

BLUE drum cover mat for 210-litre drums

Absorbs oil, water, coolants and solvents

Application:

Absorbs liquids from dripping pumps and keeps drum covers clean

Execution:

- Suitable for covers with 3/4" and 2" bung holes
- Made from synthetic fibres and 75 % recycled material
- Extra-absorbent for soaking up large quantities of liquids

Advantage:

- Flame-retardant for added protection

Art. no.	69746 255
Brand	PIG
Manufacturer Part Number	BLU255
Absorptive capacity	Low
Type description	BLU 255
Suction volume per mat	1.8 l
Diameter	56 cm
Colour	Blue
Antistatic	No
Delivery unit	Mat pad in box
Number of pieces per packet	25 PCS
Gross Weight	2.050 kg
Product Group	6PA
