

Multi-purpose soft PVC tape 764i

For marking, bundling, holding, sealing and risk-marking

3M

Execution:

- Soft to the touch and elastic, with high adhesive strength
- Abrasion-resistant

Advantage:

- High initial adhesive strength
- Good resistance to solvents
- Very easy to use, even on uneven surfaces

Art. no.	69772 555
Brand	3M
Manufacturer Part Number	7000144707
Type description	764i
Width of band	50.8 mm
Length of tape	33 m
Thickness	0.1 mm
Colour	White
Type of adhesive	Rubber/resin
Adhesive tape backing material	Soft-PVC
Min./max. temperature resistance	16 to 29 °C
Breaking elongation	180 %
Gross Weight	0.324 kg
Product Group	6RM
