freeVoice   SPECIFICATION SHEET

1	Picture	
2	Item NO.	FWP-SB-003
3	Color	Black
4	Summary overview	1. **CCT:** Stepless + 4 modes CCT,(3000K-4000K-5000K-6000K) **Dimmable** : Stepless + 5 levels dimmable 2.**Patent design** , with Paten tin EU, USA etc.; 3. **Professional optical design** - 45°Angle light,only lighting up the keyboards and working area, reduce screen reflection;No glare, no troboscopic, no visible ghosting, more focused 4. **convinient to operation,** With 4 smart Touch button. 5. **Eye protection and anti glare** - with 100 high-quality LED beads, emitting evenly and softly; No light direct hitting your eyes as you won't see the LEDs, Ideal choice for children, students, and office staff. 6. **Wide compatibility,**Equipped with a multifunctional screen clip and patented utility model technology 7. **Space saving** . Just installation on the Computer , Don't take up the desk space . Make desk be more clean and orderly.
5	Selling points	(1) 5W ,Ra95, RG0 ,LUMEN： 285lm; with 3014 SMD100PCS(50+50) (2) DIM:5 levels + 5%-100% Stepless DIM (3) CCT： 4 modes color temperature，3000K / 4000K / 5000K / 6500K +Stepless CCT (4)Light senser function:The light intensity will changed automaticlly according to the environment (Especially in dark environments, when the function is turned on, the light will gradually reach its maximum brightness within 7-8 seconds) (5) Asymmetric Optics: Illumination Angle 45 ° Asymmetric Design , Professional Anti dizziness Patent Technology (6) Multi model compatibility : suitable for various thicknesses & shape screen (7) Power off memory: intelligent memory, fast recovery when powered on (8) USB-TYPE C charging: 1.5-meter USB-TYPE C cable, connection easily
6	Specification	(1) High RA >95 (2) Dimmable：5 levels + 5%-100% Stepless DIM , (3) CCT: 3000K / 4000K / 5000K / 6500K +Stepless CCT (4) Touch swtich：ON/OFF & light sensor & CCT& Dimmable (5)Power-off memory: When repowered the light,it resume your last used brightness and color settings - no need to reset (6) Power supply：5V-1A USB-TypeC connection, (Professional PET shell , 1.5 , no knots at all) (7) Material：Aluminum alloy, PC/ABS (8) Size of lamp：52cm×2cm×2cm (light bar) (10) packing：54.5*11.5*4.8cm
