Features and Benefits

Cable Management Panels are provided in multiple styles to assist with the management of patch cords.

Ring Run Covers provide a sleek, tidy exterior for the 1-and 2U Ring Run Panels while maintaining access with snap-on/snap-off ease.

1U Ring Run–
Five rings for horizontal management of small-to-medium cable requirements.

2U Ring Run–
Five rings for horizontal management of larger category cables and areas of high cable density.

2U High Density Ring Run–
Five rings, 3 for horizontal and 2 for vertical cable management, as well as secondary rings for more precise routing of individual cables for cross-connect.

1U Horizontal/Vertical Ring Run–
Five rings, 3 for horizontal and 2 for vertical cable management, designed for cross connect wire or small quantity cable requirements.

2U Horizontal/Vertical Ring Run–
Double the capacity of the 1U Horizontal/Vertical.

1U Deep Horizontal/Vertical Ring Run–
Five deep rings, 3 for horizontal and 2 for vertical cable management. Manages the same volume of cable as the 2U Horizontal/Vertical yet in one rack position.

1U Deep Ring Run Panel–
Five deep rings for horizontal cable management equaling the cable capacity of the 2U Ring Runs yet in one rack position.
2U Double Density Ring Run Panel–
Three double density, double-position rings for maximum cable capacity and horizontal cable management.

2U Double-Sided Ring Run Panel–
Five rings for horizontal management of larger category cables and areas of high cable density with the additional feature of five cable management rings on the backside.

1U Cable Management Panel–
Designed specifically for ease of daily moves and changes with the additional feature of a snap on cover.

EZ Bar Cable Management Panel–
Mounted to the backside of a rack with cable management and routing achieved with Velcro tie wraps.

2U Through-the-Rack Panel–
Applicable for front- or rear-rack mounting; seven arms support cable passage through six oval cutouts which permit ease of access for hub connection. Supplied with a hinged cover for easy access.
