

Universal magnetic vice jaws 100, 120, 125, 140, 150 and 160 mm

Aluminium with felt covering

Application:

For simple and quick attachment to all vices.

Execution:

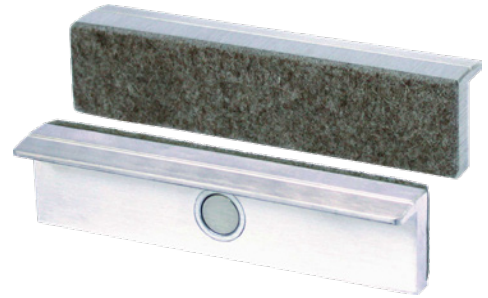

- With integrated permanent magnet
- Aluminium body with clamping surfaces made of abrasion-resistant felt
- The felt largely adapts to the contours of the workpiece
- Allows even the most delicate components to be securely clamped

Advantage:

- Precise and gentle clamping

Delivery:

In pairs

Art. no.	51068 700
Brand	HEUER
Manufacturer Part Number	113100
Jaws width	100 mm
Jaw design	Soft
Material	Felt
Gross Weight	0.100 kg
Product Group	513

EAN

4010898713001
