Product/Process Change Notification Axial and Crown Radial Aluminum Electrolytic – COO (Country of Origin)

Date:	25th August 2020	ID Number: PCN-17082020
Affected Products	This change can affect any or all Axial and Radial capacitors previously produced solely by the KEMET factory in Evora, Portugal for the Americas market in 16mm, 18mm, or 20mm diameters.	
Change	The COO of all 16mm, 18mm, or 20mm Axial and Radial Aluminium Electrolytic capacitors will change from solely Portugal to "Portugal or China." <i>In the Americas region this can result in tariffs. Direct Tier 1 business is not impacted by this PCN.</i>	
Justification and Benefits	KEMET is reducing the supply chain risk by opening both production facilities to all regions. This will also help meet growing customer demand by increasing flexibility.	
Effective Date and Identification	Effective immediately COO appears on shipping documents and box labels Identification of the individual capacitor is made by the batch number. KEMET can identify which factory produced the part from this information.	
To Obtain Samples Contact	N/A – does not affect direct Tier 1 business	
For General Information Contact	KEMET Electronics Corp (www.kemet.com)	Paulo Pedra, Global Product Management Electrolytic Director KEMET Electronics Corp (www.kemet.com) ph: +351 963308442 E-Mail: paulopedra@kemet.com
