Cable Tie Cutting Set

- For reliable removal of cable harnesses, e.g. in the aerospace industry
- Precision electronics diagonal cutter with rounded pliers head: for low-risk cutting of cable ties in confined spaces or when the cable tie head cannot be held; also suitable for cutting hard wires up to Ø 0.7 mm
- Pliers wrench with special laser cut for a good hold: grip, compress or loosen the head of the cable tie, all without cutting it

General	
Article No.	00 19 72 V01
EAN	4003773072768
Weight	345 g
Dimensions	73 x 56 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

technical change and errors excepted
