DEVIATIONS FROM SPECIFICATION

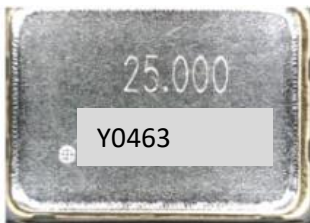

The top lid of the package has been changed from Y0463 to Y0252. They will look different in appearance, the original lids had a silver glossy appearance but the replacement type have a duller matt silver finish.

Continuous trials have been undertaken on the new type lids in our reliability laboratory from August 2022 to December 2023.

This will be effective for all new production from MARCH 1ST, 2024.

AMENDED SPECIFICATION

Y0252 lids will be used in future, electrically the product remains unchanged.
