

## Product Change Notice: ERJ Series Thick Film and Precision Thick Film Chip Resistors Manufactured In China

PCN.PG24.05.14.2020

05.14.2020

<p><b>About This Notice:</b></p>	<p>To provide global unification, Panasonic's China factory location for Thick Film and Precision thick Film Chip Resistors is removing the outgoing date stamp on C3 label to match the Japan factory label. This red stamp was used as a visual check to help reduce human error in the shipping process when the factory was starting to produce these Resistors. The China factory has been upgraded to the point where this stamp serves no useful purpose currently. Panasonic is releasing this Product Change Notice to help avoid any confusion when this stamp is removed.</p>
<p><b>Effective Date:</b></p>	<p>Immediate</p>
<p><b>Change Details:</b></p>	<p>See below for before and after examples.</p>
<p><b>Affected Parts:</b></p>	<p>Various ERJ Series part numbers depending on location of manufacture.</p>
<p><b>Datasheet(s):</b></p>	<p>See Attached.</p>
