

## Shelf trolley with 4 load areas

Insert shelves, total load capacity 500 and 600 kg

### Application:

For transporting non-stacking goods and materials, for continuous use in industrial applications.

### Execution:

- Modular system, entirely screwed
- Welded steel tube/profile steel
- 1 fixed insert shelf
- Rigid sandwich panels

### Advantage:

- Robust design and high load capacity ensure a long service life even when used for industrial loads
- Multiple load areas provide ample storage space for non-stacking goods and crates
- FETRA plug-and-screw design allows trolleys and accessories to be altered easily
- Large high-quality rollers for good running properties

### Delivery:

Disassembled
