

## Modular frame trolley

For double-sided storage of tool holders, no. 50655 020-130

### Application:

For secure transport and retrieval of CNC tools.

### Execution:

- Four hook-in rails are welded to the frame with spacing of 125 mm to accommodate tool holders
- Large rubber-tyred fixed and guide rollers, 2 of each
- A total of 16 tool holders can be accommodated in the trolley
- Accessories: No. 50655 020-130 tool holder with plastic inserts for accommodating tools

### Advantage:

- Good stability thanks to double brake on guide roller

### Delivery:

Other paint colours available upon request.
