

Quick-action clamping nuts

Without collar

Application:

For clamping workpieces.

Version:

- Tempered
- Strength class 6

Advantage:

- Shortening of assembly or clamping times thanks to easy spanning of long screw threads and clamping spindles.

Art. no.	26206 710
Thread dimension	M10
Height	12.5 mm

EAN-Code

4020772088552
