

Dimmable LED Driver, 1x30W, MB

Item: 9974067

MALMBERGS

Product information

Make Malmbergs. Dimmable LED driver. Light regulation 0-100% by means of PUSH function. No limitation of the number of drivers when they are connected to the same switch. No synch-cable is required between the drivers.

220-240V, 50/60Hz.

Specifications

Additional information	Table drivers
Constant current output DC	250mA 60V 15W, 350mA 60V 21W, 400mA 60V 24W, 450mA 60V 27W, 500mA 60V 30W, 550mA 55V 30W, 600mA 50V 30W & 700mA 43V 30W
Dims (LxWxH)	150x53,53,5x30 mm
Max. output voltage DC	60V DC
Max. power	1x30W
No. of diodes	Max. vid 350mA 16(1,2W), vid 700mA 10(2,45W)
Protection class	IP54
