Technical Bulletin 24-01

SUBJECT: Design change on AC-HDMI-RR & AC-USB-AA connectors.

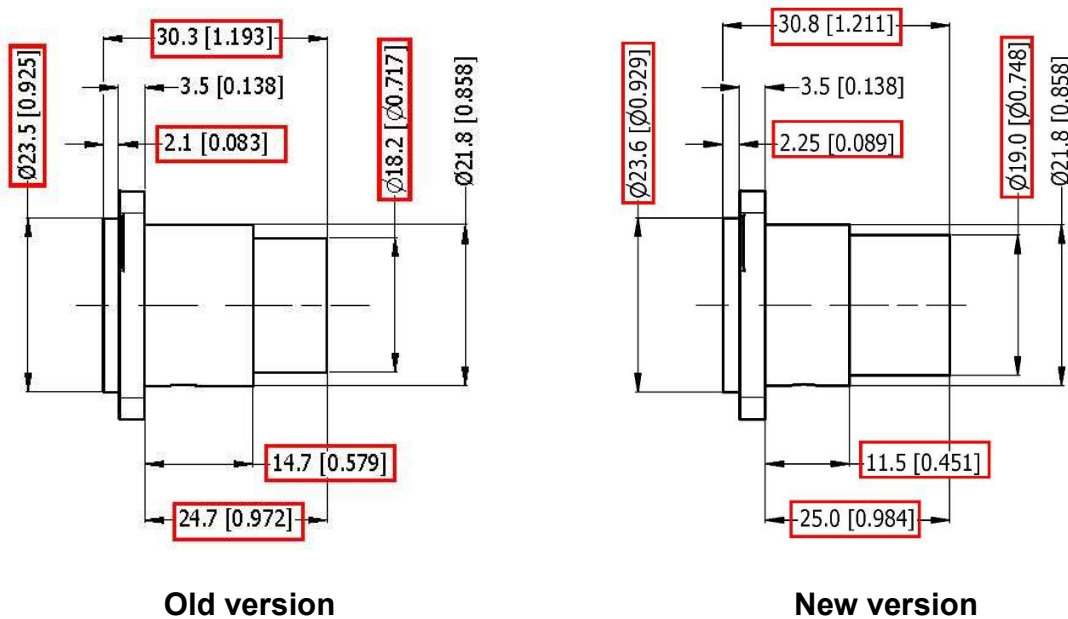

This document is to notify our valued clients that the above series products manufactured by **Amphenol Australia**, the Amphenol division responsible also for **Amphenol Audio**, are to undergo a product improvement upgrade.

Detail:

The current AC series HDMI and USB connectors have been redesigned and retooled and will have minor changes to their dimensions. The changes are detailed in the drawing below.

Affected Products	Changed versions:	
	AC-HDMI-RR AC-HDMI-RRB	AC-USB3-AA AC-USB3-AAB

This change will be implemented as a running change to production and will be phased in from February, 2024 (Batch #824013)

Kind regards,

Minh Hoang
