

Assembly clamp, pointed shape

Flexible spring clamp

Application:

For flexible, gentle clamping of a wide range of small workpieces.

Execution:

- Ergonomically shaped two-component handle
- Constant clamping force
- Superpolyamide clamping arms

Advantage:

- Long, pointed clamping arms for working in narrow gaps and areas close to edges
- Softpads for particularly gentle clamping with delicate surfaces

Art. no.	51126 120
Brand	BESSEY
Manufacturer Part Number	XCL2
Max. clamping width	55 mm
Overhang	60 mm
Gross Weight	0.022 kg
Product Group	517

EAN

4008158031422
