

Ear clamp pliers

Application:

For pressing 1-ear and 2-ear hose clamps (Oetiker system or similar)

Execution:

- Optimal lever position for energy-saving crimping
- No damage to the pressing points due to rounded cutting edge
- Ref.: No. 110 – with lateral cut for use in confined spaces

Art. no.	53079 100
Brand	KNIPEX
Manufacturer Part Number	10 98 I220
Length	220 mm
Max. clamping width	15 mm
Surface	Grey amentised
Gross Weight	0.363 kg
Product Group	535

EAN

4003773080749
