

Spare blade

As spare blade for wire rope shears no. 53342 016.

Application:

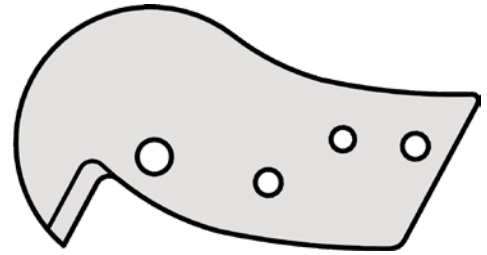

As spare blade for wire rope shears no. 53342 016.

Execution:

- Hardened high-quality steel
- Case-hardened
- Maximum cutting diameter: 16 mm
- Maximum cutting diameter for spring steel wires: 5 mm

Advantage:

- Even cutting without pinching or prior tying of cables thanks to triangular cutting
- Easy cutting thanks to optimum lever action

Art. no.	53343 016
Brand	FELCO
Manufacturer Part Number	C16/5
Gross Weight	0.880 kg
Product Group	546
