## **Connection Line** M8 × 1; 3-pin

## S56-5MPUR

Part Number

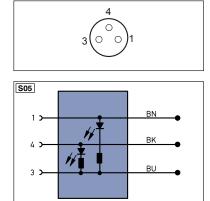

## **Technical Data**

| Mechanical Data                                    |                      |  |
|--|----------------------|--|
|  | Coolect cooled       |  |
| Connection 1                                       | Socket, angled       |  |
| Connection mode 1                                  | M8 × 1, 3-pin        |  |
| Connection 2                                       | stripped             |  |
| Torque   | M8: 0,4 Nm           |  |
| Cable Length                                       | 5 m                  |  |
| Cable Diameter                                     | 4,3 mm               |  |
| Wire cross-section                                 | 0,25 mm <sup>2</sup> |  |
| Display  | LED                  |  |
| Degree of Protection                               | IP67                 |  |
| Temperature Range                                  | -2580 °C             |  |
| Cable Jacket Material                              | PUR                  |  |
| Material Wire Insulation                           | PP                   |  |
| Material Sleeve Nut                                | CuZn, nickel-plated  |  |
| Halogen-free                                       | yes                  |  |
| Drag Chain Suitable                                | yes                  |  |
| Bending radius (fixed installation)                | 5 × d                |  |
| Bending radius (used in motion)                    | 10 × d               |  |
| Travel speed (with 5 m horizontal travel distance) | ≤ 3,3 m/s            |  |
| Acceleration                                       | ≤ 5 m/s²             |  |
| Bending cycles                                     | ≤ 5000000            |  |
| Packaging unit                                     | 1 Piece              |  |
| Connection Diagram No.                             | S05                  |  |
| Connection Equipment No.                           | 8                    |  |
|  |                      |  |

## • Halogen free, drag chain suitability

• PUR, with LED, angled
