

Swivel stool

With tool tray

Application:

For comfortable working in seated position, with tool and small part storage options right by the seat.

Version:

- Seat area with practical release ring below seat, which makes the seat infinitely height-adjustable thanks to a pneumatic spring
- High-quality tool tray with 5 compartments
- Large wheels prevent tipping (diameter 75 mm)

Advantage:

- Small parts and tools can be stored and kept in the practical tool trays
