PCN #:P-19-017301

Subject:Manufacturing location change from Japan to Thailand

Description of Change: This change is applicable for the customers outside ASEAN. Following part numbers will be transferred from TE-Japan to TE-Thailand.

Reason: Dear Customer, we hereby inform you about a transfer of tools and/or processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. If you require a PPAP, please contact following responsible members for the concerned matter; Takafumi Saito (saito.takafumi@[te.com](mailto:saito.takafumi@te.com)) after receipt of this PCN.
